Active Times Table Homework 9x, 11x, 12x Football Times Tables

Practise the 9x, 11x and 12x tables by playing football!

One player - Find a safe space to kick a ball against a wall. Say a times table question and kick the ball. Answer the question before controlling the ball. Repeat.

Two player - A parent or a friend says the questions and passes you the ball. You say the answer before controlling the ball. Pass back and repeat.

Can you make it harder by mixing the questions? Can you encourage your parents, grandparents and siblings to join in too? Can you take a photograph or video of you taking part?
