Welcome Back for Autumn 1!

Hello and welcome back to the new academic year. It has been lovely to meet all our new children and families as well as see lots of familiar faces over the past week and a half.

From speaking with the children, it sounds like you have all had a busy Summer break.

Thank you to parents for sending everyone in looking so smart. Please ensure all clothing and belongings are named so they can be returned.

We have lots to look forward to in the next few weeks so have a careful read of the newsletter as it will contain important dates for your diary.

Yours sincerely,
Senior Leadership Team

Data collection & photo consents

We are in the process of updating the information we hold on the children in school. On Friday 5th September, a new data and photo consents form was sent home. Even if no information has changed, please complete the form as soon as possible and hand it in to your child's teacher.

Inclusion Suite

Over the summer Mrs Lonsdale and Miss Grieve's set up a new Inclusion space in the old FS2 classroom. This room will be used for interventions as well as being a quiet, calming space and a place where they children can go to for support during break and lunchtimes.

Visits to Darnall Library

As part of developing our children's love of reading, we will be visiting our local library once a term. This visit will allow children to loan a book from the library and enjoy the space whilst they are there. An application form will be coming home for you to fill in to sign your children up for a library card. Further reminders will be sent via ClassDojo.

Upcoming visits:
