Acres Attributes Parent and Community Award

Well done to all the children who were nominated or won our first ever Acres Attributes Parent and Community Award. Our next parent Attributes assembly will be in the last week of Spring 2.

Parents can nominate a child (their own or another) who has demonstrated one of our Attributes outside of school. In the main office, there will be an area set up with nomination forms and a box to post it into.

Members of the School Council will read through the nominations and select a child from EYFS/KS1 and KS2 to receive an award at our upcoming termly Parent Attributes Assembly.

We cannot wait to see the fantastic ways our children are contributing towards our community during the Spring term.

Big Thank You

We just want to say a huge thank you to all the parents who were able to join us for all our Christmas events over the last two weeks of the half term.

It was lovely to see so many of you supporting your children and the school. All the children worked incredibly hard and their performances were super!

We also wanted to say a big thank you to Mrs Tait for heading up the organisation of the Christmas Fair. This was a wonderful event where we even managed to organise a visit from Father Christmas!

We appreciate all your support and look forward to seeing you at future events.

School Council and Reading Champions

Over the course of the Autumn term, we have been able to establish this year's School Council and Reading Champions.

These are groups of KS1 and KS2 children who will be working closely with staff in school to help during events and fundraising opportunities as well as work on projects throughout the year.

Our School Council ran our Bake Sale for Children in Need and the Reading Champions will be supporting with the upcoming Bedtime Stories event.

We are so proud of our children who are working towards making their school a better place!
