As part of the day, we are asking for the children to either come to school dressed as their favourite book character or in a set of pajamas.

We can't wait to see everyone all dressed up.

World Book Day Competition

Our World Book Day competition is to create a "book in a box". Entries will be judged by the Reading Champions.

You will need a box, which can be a cereal box, shoe box or equivalent. Choose your favourite book and decorate your box (inside and out) to represent the different parts of the book.

Label your box clearly with your name and year group and bring your box to your class teacher by Thursday 5th March for judging. Prizes will be awarded during our assembly on Monday 9th March.

Acres Attributes Parent and Community Award

There is still time to nominate a child for their chance to win an Acres Attributes Parent and Community Award during our Spring Term parent assembly.

Children who show one or more of our Attributes in their own or wider community can be nominated by their own parent or another adult in school. A nomination for EYFS/KS1 and KS2 will be chosen by our School Council for them to win a prize and certificate which will be presented during the assembly.

Nomination sheets can be completed in the foyer of the school office. All entries need to be submitted by Friday 20th March.

We're so proud!

Two of our students, Sanjana and Akshra had a wonderful opportunity to represent their community at the Houses of Parliament. They were invited to take part in a traditional dance show to celebrate Tamil Heritage month.

We are all extremely proud of them!

Nearly new uniform

For those parents who need to replace any lost or too small uniform items, please come to the office and speak to a member of the admin team.

In school, on time, every day

This month's current school attendance is below our 96% school target. Our whole school attendance figure year to date is 90.2% which is significantly low. Please continue to ensure your child attends school regularly so, that they can unlock their full potential.

Our target continues to be 96%

Why is good attendance important?

- Statistics show that pupils with good attendance achieve well in school.
- Children with attendance above 96% make better progress socially and academically.
- Children who attend regularly find their learning more satisfying and have fewer gaps in their knowledge

Volunteers needed

If you would like more information about becoming a parent governor, please contact the school office for more information.
